Rissington - Round 1 of the 210 Challenge and the Super 60's Championship

Heat 1

A slick start by Hancock from pole ensured him the lead from the lights. A skirmish on the 1st corner delayed some of the chasers and as a result Fowler was unable to continue, D. Bury was also delayed. Woodward muscled his way to 2nd and chased Hancock all the way home. Whyte eased his way to 3rd and D. Bury managed a fighting 4th. Congratulations to Hancock for lights to flag maiden 210 win!

1st Hancock, 2nd Woodward, 3rd Whyte, 4th D. Bury, 5th Hocking, 6th Masson

Heat 2

This heat started with a somewhat hesitant start, which was later explained with T. Bury almost jumping the start and everyone else on the front row looking round to see what he was up to. D. Bury into the corner 1st followed by T. Bury, Fowler and Sifleet. Callaghan overtook Woodward on the back straight into 4th place. On Lap 2 Sifleet raised his hand in the air allowing Callaghan to move in to 3rd. D. Bury led from start to finish and T. Bury held 2nd until lap 5 when he was overtaken by Callaghan and Woodward.

1st D. Bury, 2nd Callaghan, 3rd Woodward, 4th T. Bury, 5th Whyte, 6th Masson

Heat 3

A false start saw the field sent round again to line up a second time. On the second attempt most got away well, although T. Bury seemed a little slow. Some great overtaking was seen along the back straight with D. Bury overtaking Whyte and Hocking and Woodward overtaking Callaghan. Lap 3 saw Cardwell and Watkins put their hands up with Cardwell pulling in to the pits and Watkins struggling with gear box problems. On the last corner of the last lap Whyte missed a gear and D. Bury and Callaghan both slipped

through the gap. The final charge for the line saw D. Bury win by six hundredths of a second from Callaghan with Whyte one second behind in 3rd.

Thanks again to Sue for helping out with the race report. As previously mentioned there may not be a race report from Fulbeck so apologies if that is the case. Sue also will not be able to make it to Wigan, so again if anyone can help out with the race report I would very much appreciate it.

John Morrish is arranging a stand at the Cholmondeley Festival of Power and Speed on the 10th – 12th of June. If this goes well we are hoping that we will have a bigger presence next year with hopefully some track time. If you are interested in helping out or just want some further information please get in touch with either myself or John.

See you at Three Sisters!
