### Three Sisters – Round 3 of the 210 Challenge and Round 2 of the Super 60's

This weekend saw visits from a number of potential new drivers for next season that had found the 210 Challenge through the event we attended at Cholmondeley. It was great to see Ron out in Andy Beech's kart giving it his all and enjoying finding the 210's, we hope to see him next season.

In a complete contrast to the last meeting, by 12 pm on Sunday we had completed 2 heats (unlike at Fulbeck where that was when the first heat was) and the final was one of the earliest we have had in my memory! Thank you to Wigan for allowing us to be the first class in the cycle!

#### Heat 1

The first heat at Three Sisters saw the field lined up at the lights for a clutch melting amount of time before everyone was sent for another trip around the circuit to line up again. Sifleet got a flying start the 2nd time round moving from 6<sup>th</sup> place to 1<sup>st</sup> in the first lap, holding this position until the finish line. Whyte fought his way through the field, overtaking Fowler on lap 4 to seal the finishing order and take 2<sup>nd</sup> with Fowler 3<sup>rd</sup>. Green had a cracking race, starting at the back of the field and finishing in 6<sup>th</sup>.

**1<sup>st</sup> Sifleet, 2<sup>nd</sup> Whyte, 3<sup>rd</sup> Fowler, 4<sup>th</sup> Hancock, 5<sup>th</sup> T. Bury, 6<sup>th</sup> Green.**

#### Heat 2

Whyte dominated from start to finish with Sifleet and D. Bury battling behind for 2<sup>nd</sup> place with a number of changes of position throughout the race. Fowler managed a consistent race holding on to 4<sup>th</sup> from the 2nd lap, keeping Hancock at bay. Masson and Hancock seemed glued together with Masson not managing to overtake. Callaghan started to slow on lap 4 but managed to take the flag to secure some points.

**1<sup>st</sup> Whyte, 2<sup>nd</sup> Sifleet, 3<sup>rd</sup> D. Bury, 4<sup>th</sup> Fowler, 5<sup>th</sup> Hancock, 6<sup>th</sup> Masson.**

#### Heat 3

Sifleet took the lead from the lights for the first 4 laps, fighting hard to hold back Whyte. On lap 5 Whyte overtook to take the lead. Callaghan fought hard throughout the heat both with D. Bury and Sifleet to finish 3<sup>rd</sup>, with Sifleet 2<sup>nd</sup> and D. Bury 4<sup>th</sup>.

**1<sup>st</sup> Whyte, 2<sup>nd</sup> Sifleet, 3<sup>rd</sup> Callaghan, 4<sup>th</sup> D. Bury, 5<sup>th</sup> Hancock, 6<sup>th</sup> Masson.**

#### Final

A fantastic final with action throughout the field especially in the top five positions. D. Bury got in to 1<sup>st</sup> on the second lap and held off both Sifleet and Callaghan who were embroiled in their own battle for position which included appearances from both Whyte and Fowler. Further back in the field, on lap 3 Masson executed a difficult overtaking manoeuvre on Hughes after following him from the start to put him in 7<sup>th</sup> place. There was then a gap mid field giving some fresh air between 7<sup>th</sup> and Hancock in 6<sup>th</sup> which Masson couldn't manage to close. The race finished with D. Bury in 1<sup>st</sup>, Callaghan in 2<sup>nd</sup> and Sifleet in 3<sup>rd</sup>.

**1<sup>st</sup> D. Bury, 2<sup>nd</sup> Callaghan, 3<sup>rd</sup> Sifleet, 4<sup>th</sup> Whyte, 5<sup>th</sup> Fowler, 6<sup>th</sup> Hancock, 7<sup>th</sup> Masson and 8<sup>th</sup> Hughes.**
