*'We promote and encourage competitive racing
in a friendly and sporting manner'*

Newsletter – January 15th

A very Happy New Year to you all.

This newsletter is to update you on the progress of the 2018 210 Challenge thus far. We are not sure if you are aware but the Government are introducing new Data Protection Laws which come into force in May 2018. This has a very big knock on effect on how the 210 Challenge is administered; including the storage and use of membership information and personal data (including pictures and videos)

Sian is currently awaiting clarification from the powers that be in order to complete and send out Registration forms and Supplementary regulations etc.

How does the modern version of PC company speak (bull dust) go 'We are working tirelessly to resolve these issues'!!!!!!

I think we can safely say these have been confirmed by the hosting clubs but until the MSA have accepted the Permit Application and Regulations for the 2018 Championship these are still marked as provisional. I did have to smile when I typed the date of the warm up round. Says it all really. We will endeavour to keep you updated by posting on the existing website until the new one is up and running or you receive the appropriate paperwork.

Pit Bits

On a lighter and more joyous note it gives us great pleasure to announce the marriage between Neil Hancock and his lovely partner Gill McKuhen who married secretly in Devon on the 19th December. Huge congratulations to you both.

Sian would like to thank everyone for their very generous gift presented at the awards dinner.

Until next time folks.
